

Dear Participants,

Greetings from Public Health Foundation of India!

We are glad to inform you about the Chellaram Diabetes Institute's International Diabetes Summit-2017 to be held from 10th-12th March 2017, in Pune, Maharashtra.

Venue: - Hotel J W Marriott, Senapati Bapat Road, Pune

Date: 10th – 12th March 2017

It gives us immense pleasure to announce that the Organizing Committee has offered 25 % discount on registration fee to all PHFI candidates (those who did PHFI courses or are currently enrolled).

Further, the Organizing Committee is also pleased to provide 50% discount on registration for the candidates enrolled for or completed ACMDC/CCMTD courses.

This opportunity has been provided by Dr A.G. Unnikrishnan, CEO, Chellaram Diabetes Institute, and our Academic Partner for ACMDC and CCMTD. We are extremely indebted to him.

In the registration form, please specify that you are a PHFI course candidate and send it along with cheque/demand draft at the address mentioned in the registration form.

To register online please click at the link <http://in.eregnow.com/ticketing/register/cdi2017>

<b>Rates for PG students/ACMDC/CCMTD participants</b>	<b>Rs. 3000/-</b>	<b>Rs. 3500/-</b>

***Please note that participants may avail of discount in only one category.***

The International Diabetes Summit 2017 is part of CDI's efforts to tackle the escalating problem of Diabetes in our midst. With the best-in-class Speakers from the leading global Diabetes Institutions – accompanied by accomplished Indian experts – this conference would help bring the latest and the best practices in Diabetes care to Clinicians treating people with Diabetes.

World renowned scientific experts in the field of Diabetes including Clinicians and Researchers from Karolinska Institute, Sweden, Mayo Clinic, USA, University of Florida and University of California have agreed to grace the occasion. Indian experts will also participate and bring out our country's perspective in managing Diabetes.

It will be a good platform for students and researchers to present their research work and interact with renowned faculty.

Public Health Foundation of India (PHFI) will be putting up a stall in the Summit, please visit the same to get the brief about of our upcoming courses. You may click on the link below to see more details on this upcoming conference.
